Cory discussed the public works report. He presented quotes to the Council for asphalt. Discussion was had on alternatives to get it in the Rapid area. Cory will get information from more local areas. Discussion was also had on the IPADs. Cory stated with the new water system they are using they can utilize the Ipads in conjunction with the radio read systems. Cory is requesting his be with both cellular and wifi and the remaining of the Ipads with just wifi. Discussion was had if the keyboard and the higher GB were necessary and if the one for the landfill attendant is necessary. Cory stated the keyboard will protect them and the high GB will work for the department to use on the GIS system. **Councilman Petersen motioned to approve the purchase of 4 IPAD Air 10 at \$1177.00 each, which includes IPAD, pencil and keyboard for the public works department employees and 1 IPAD Pro for the director that has both cellular and wifi for \$1877.00 purchasing all through Apple and Councilman Smoot seconded. All ayes, motion carried.** Cory discussed the permitting at the landfill and the letter that he and the Council just received on the violations. He stated that a scraper work is needed to help stockpile dirt. He obtained a quote for 3 days for \$9000 which would include the operator. Councilman Glenn stated that currently the cover pile is too far away. The extra dirt would also assist in litter control at the landfill. Cory was instructed to do some research as to where this expense line item this would be paid from. Weekly meetings on the landfill will also be required.

Discussion was had on the police radios and the quotes. Chief Bryant got two quotes as there are only two authorized dealers in the state. A quote was from ComTech was discussed further. The quote was for \$11,346.81 from ComTech to be paid from grant funding. **Councilman Smoot motioned to approve the purchase of the radios for \$11,346.81 and Councilman Smith seconded.
